## DIRECTOR

Craig Scott -

Craig is happy to be back in the director chair surrounded by such a wonderful and familiar team. He has directed many shows now with CAT and other theatre companies, most recently *And then there were none* with Innisfail Town Theatre and *Miracle on 34<sup>th</sup> Street* with CAT both in 2021. He has written a full-length play called *Hat Trick* and is working on another. As well, he has acted in several plays and a couple of short films, most recently, *Ethan Claymore* with ITT.

## DIRECTOR'S MESSAGE

As a kid, my parents introduced me to old movies such as *Key Largo*, *Casablanca* and *Rear Window*. I fell in love with the period costumes, the actors and the strong messages each show conveyed. In *The Lonely Diner*, I fell in love with the script for these reasons and more. Lucy, our heroine, struggles with the age-old question, is there more to life or is this all there is? Part of being human is to ask this hard question. I hope that we all find the answer. Thank you for your continued support and I hope that you enjoy the show.

**THANK YOU!**

We kindly ask you to please turn off cell phones and electronic devices for the duration of the production as the use of cameras and recording devices are strictly prohibited.

## STAGE MANAGER

Reina Jegueta -

Reina Jegueta is a registered nurse based in Red Deer, Alberta who is pleased to stage manage this show. Other shows she stage managed are *Some Girls*, *Crimes of the Heart*, *Miracle on 34th St.*, *You're Never Gone* - Heartland One-Act Festival 2022. Most recent show was the first production run of *It's Coco* - a new operetta produced in Red Deer on June 2022. She's also assisted in costumes and dressing for Primestock Theatre's *Bard on Bower* 2022. She welcomes every challenge and satisfaction of every show she was, is and will be involved in.

## REBECCA BOYCE

as Lucy -

Working with CAT for the last 6 years, Rebecca is no stranger to the stage. You may have seen her in shows such as the *Sherlock Holmes series* (multiple roles), *Some Girls* (Tyler), *Miracle on 34th Street* (Doris), and even at ITT with *And Then There Were None* (Vera) just to name a few. She is excited to be starting the year out on stage with a wonderful, talented cast and crew, and to be working again under direction of the epic Craig Scott. Rebecca hopes your meal was tasty, and that you enjoy the show as much as she is enjoying performing it!

## DUSTIN FUNK

as Ron -

Dustin Funk is no stranger to the acting scene. After attending Red Deer College for acting in both theatre and film, he has performed in many shows for Central Alberta Theatre, Innisfail Town Theatre, and Primestock Theatre. His most recent performance was in CAT's very own recent production of *An Act of the Imagination*.

## MYA BURTON

as Sylvia -

Mya Burton is stoked at the opportunity to be in her inaugural Cat Theatre Production, "*The Lonely Diner*." After starring in her 3rd grade production as the moose in "Moosical" she considers herself ready to get back in the limelight. Since then, she was forced back into the theater during the rehearsal process of "Noises Off" because her lazy ass father didn't want to drive her home and back everyday.

## BRYAN MILDENBERGER

as Marscarpone/Mars -

Bryan Mildenberger is happy to be returning to the stage in Cats first production of 2023. In this fantastic period piece, Bryan will be playing the character of Marscarpone not to be confused with a soft and creamy cheese. In his spare time, he has been fighting off bad guys at the dojo. Dancing with "Red Aces" and periodically tickling the ivories.

P.S His favorite Cheese is Brie

## BROCK BEAL

as Snorky -

Brock Beal is an actor and aspiring writer stationed in Red Deer, Alberta who is ready to bring his charismatic charm and wit to the stage. A graduate of Red Deer College's theatre program, Brock has performed across Alberta and BC, providing many laughs along the way. He is always ready for a new challenge and is eager to take on new roles. Previous theatre appearances include *The Mystery of Edwin Drood*, *Unnecessary Farce*, *Scrooged Up*, and *Hilda's Yard*.

Central Alberta Theatre is excited to host the Heartland Regional One-Act Festival as part of our CAT Season in the Nickle Studio for the second year in 2023. To complement this theatre festival that culminates in a provincial competition, CAT has developed its own non-competitive One-Act Festival, called CAT-Nips, which takes place each spring. Artists are invited to submit original or published works to direct and perform in one or both coinciding festivals. CAT-Nips is a perfect opportunity for young, developing, and innovative directors to take on more edgy works in a supportive environment.
